Circle one: Yes No

The NLMFA relies on volunteers for practices, home game days, and more! Which particular areas are you willing to volunteer in?

Circle one: Concession Stand Admission Table

Field Crew Special Event Set Up / Tear Down

In the past we have printed out our handbook for each participant of the NLMFA. To save on printing fees and be more environmentally friendly we have added our handbook to our main website at nlmfa.com under the "ABOUT US" tab. By circling "yes" below you acknowledge that you have read it and reviewed it with your participant. You will find many answers to questions you might have regarding the NLMFA, code of conducts, fundraisers, and awards.

Circle one: Yes No

In order to keep registration fees low, the NLMFA conducts a raffle each season that our families sell tickets for \$10 a piece. By circling "yes" below you acknowledge that you have read it and reviewed it with your participant. I acknowledge that I am expected to sell a minimum of 15 raffle tickets if I have one child in the NLMFA or 20 raffle tickets if I have more than one child in the NLMFA.

Please note that the NLMFA conducts additional fundraisers during the year and participation in those fundraisers is appreciated and encouraged but is voluntary and not required.

Circle one: Yes No
